### Automotive Technician in Palmerston North

McVerry Crawford Palmerston North is passionate about customer service – and it shows! We have been building strong relationships in the area since 1999 and our growth reflects how successful we have been. Now the search is on to find someone exceptional to join our Service Team – and what a team it is! This company is one which looks to continuous improvement and which thrives on automation and system development. As a well-established company, we offer a great working environment where you will be encouraged to develop, both personally and professionally, with regular training courses to help you excel in your role. Hours are regular, uniform is provided and hard work is rewarded. Your salary will be dependent on experience and there are excellent career opportunities and a challenge each and every day!

Your role will include involvement / responsibility in: -

- All servicing and maintenance of all makes and models
- Achieving benchmark standards in all workshop KPI's
- Warrant of fitness inspections
- PDI inspections
- Accessory fitments
- Fulfilling any other general workshop duties required by the management

Our ideal candidate will obviously have a Trade Certificate and will be someone who has a sense of ownership and cares passionately about their high standards of workmanship, their attention to detail and their efficiency. Experience in a franchise environment preferred but not essential.

Other skills would include:

- The ability to communicate effectively and efficiently to all dealership staff
- High level of customer service
- Excellent organisational skills and the ability to work under pressure and meet tight deadlines
- Exceptional analytical and problem solving skills and the ability to prioritise multiple projects, accomplished at delivering maximum results with minimum hassle
- You must have a current, clean New Zealand Driving Licence

If you are organised, affable, effective and capable, and want to be part of an upbeat and energetic team, then please send your CV with a covering letter, telling us why you are the ideal candidate to
